

## **Why show at an ILR Silver Anniversary Show?**

**You are invited to show at the ILR's 25<sup>th</sup>  
Anniversary Shows to highlight your  
animals while you celebrate your  
Registry's anniversary!**

### **Q: So what's so special about an ILR Silver Anniversary Show?**

- A: 1) The generous sponsors are giving every exhibiting farm a gift. That's right—a gift for entering the ILR-Show Division (ILR-SD) show!
- 2) Every 1<sup>st</sup> through 4<sup>th</sup> place winner of non-optional ILR-SD classes will be qualified for the 2011 ILR-SD National Show. (Date and venue to be announced at a later date.)
- 3) You will be given exposure to owners of other livestock owners who might not yet know they 'need' a llama, as most, if not all, Silver Anniversary Shows will be held in conjunction with other livestock shows.
- 4) There will also be awards for specialty classes.  
*These won't necessarily be the same at all the shows as each will choose its own classes. These will be classes that everyone will have a chance to win. For example: perhaps it will be a color or marking class, simply a good sportsmanship award or even who traveled the farthest or has the tallest llama! There are even more for the hosting show to choose from. We guarantee it will be fun!*

Most of all the fun starts with celebrating with your llama friends who recognize the uniqueness and value of our wonderful friend, the llama.

*Come join the competition and fun!*

*We hope to see YOU at an ILR Silver Anniversary Show in 2010!*
