About the ILR

The ILR's Commitment to the Future

The ILR is committed to providing fast and accurate processing of your registration needs at a reasonable cost.

The ILR is committed to providing value to the entire llama industry by providing services that are beneficial to all llama and alpaca owners, regardless of their preferred type of llama or the preferred use of their llamas.

The ILR is committed to cooperating with other llama organizations in ways that will benefit the entire llama industry.

ILR Show Division

- The ILR Show Division (ILR-SD) was implemented in January 2009 in response to the request of the ILR members for a new show association. Two independent groups of ILR members sent proposals to the ILR Board of Directors outlining proposed structures for a show association.
- The ILR-SD has seven active committees that have structured the rules and recommendations for the ILR-SD. The chairperson of each committee, along with the ILR Board, serve as the Governing Board for the ILR-SD. Committee members serve a five year term and were appointed by the ILR BOD the first year and have been elected from the ILR membership beginning in 2010.

Why Join the ILR-SD:

- **Giving Members what they want:** When the ILR Board surveyed the membership about what they wanted from the new ILR-SD, there were five main things they hoped for: *Flexibility in show structure, Economical to show, Accurate Results, Timely Results and Fun.* The ILR-SD committees have worked hard to incorporate all these into the structure of the ILR-SD.
- **Show Sanctioning:** To be an ILR-SD sanctioned show, the show must pay a \$50 sanctioning fee and use an ILR-SD approved judge. There are no mandatory classes in ILR-SD shows—we recognize the regional differences in the llama industry and encourage local shows management to creatively structure a show that meets the needs of their area.
- **Costs:** The sanctioning fee includes use of the ILR ShowManager, a software program that utilizes the ILR database to verify animal/owner information, can be customized to fit your show, prints a show program and uploads the show results onto the ILR website. Show management must also pay a per head/show user fee. For shows choosing not to use the ShowManager, the cost also covers the staff entering the results per head/show into SM in addition to the sanctioning fee.
- **Advantages of Membership:** ILR-SD members will have their points for the animal placings automatically recorded for them, and they are eligible for year-end and lifetime awards. Non-members may still show at an ILR-SD sanctioned show without paying a non-member fee, but no points will be tracked and they will not be eligible for ILR-SD awards.
