Instructions for Leader/Instructor for filling out evaluation form:

This form is intended to “verbally gauge” judge, apprentice and/or participants attending a Halter/Performance/Youth seminar/clinic.

Responses are to be objective and descriptive. This form will assist the judges committee to determine the necessity of further training or exposure and kept in the participant’s file. A copy of the form will also be returned to the participant.

As there is no numerical scoring provided, it is necessary that all answers/reviews be formed in a fashion that can determine to what degree their knowledge/expertise exists. If applicable, include suggestions for additional education, experience or knowledge needed to move to the next step – or state this participant is ready in this area to move forward.
