NOMINATION FORM – ILR SIRE OF DISTINCTION

This ILR award program is designed to recognize elite Sires and Dams whose offspring have achieved high standards in the showring. These awards are based on placings earned in any combination of halter, performance, or fleece shows. Show winnings from any sanctioned ILR, ALSA, or LFA show or any other shows requested and deemed acceptable by the ILR Board of Directors. For purpose of this award UAP show results will be used to determine eligibility. Only results earned since the formulation of the UAP Program in 2010 may count.

The show results for individual animals may be verified on the ILR website under the "View UAP, IF, or SD Points" tab for the animal. Certificate winners may be verified under the _____TBD____ tab. Once a nominee's offspring have achieved results qualifying for this status the person nominating the animal may submit this nomination form to the ILR office for verification.
