

Meeting called to order at 5:00 PM PST October 3, 2017

Members present on call: Niki, Betty, Eran, Maryan with Ron W. as ILR BOD Liaison

Betty will contact Gladys Morits in Virginia about joining our ILR Fleece Committee as a member. Betty will tell her to send a resume' to Ron Wilkinson on the ILR BOD if she agrees to join us.

Re: Annual Fleece Judges Test, a letter being sent to the ILR BOD.

UAP Fleece Championships: This was approved three years ago when Rawna was on the Fleece Committee. The scores should count, not the numbers in account (not sure what was meant here). This was in the Guidelines but was never enacted. Ron will bring this up to the BOD. Update from Ron: He has talked to Susan at the ILR about this and hopefully it is being taken care of, hopefully it can be retroactive.

Discussion concerning Fleece and teaching judges: Gogi Villaneava (SP) is an ALSA Fleece judge who may be able to get certified as an ILR Fleece judge. She is from the Medford area (?) and has a teaching degree besides having her own yarn shop. Gogi judged the Denver Stock Show Fleece classes, and when she took the ALSA Fleece clinic she received the highest score. Maryan agreed to contact her and see if we could get her accepted as an ILR Fleece judge.
